1. A Conditional Use Permit is being applied for by Donald & Rhonda Matuszak, 3919 Norway Court, Pulaski, WI. The application includes a request to operate a home based food preparation business. No comments were heard. Deneys/Huetter, motion to close the hearing. Motion carried.
2. A Condition Use Permit is being applied for by Jason & Sabrina Czarapata, 3360 Redwood Drive, Pulaski, WI. The application includes a request for a commercial kennel license which allows the owner to license 4 to 12 dogs. Owner has 3 show dogs but does not plan to board any dogs for others. Comments were heard from neighbors stating animals received good care and were not excessively noisy. Deneys/Tauscher, motion to close hearing. Motion carried.
3. A Conditional Use Permit is being applied for by Tanya Kamps, 4530 Anston Road, property owned by Troy Whisman. The application includes a request for a commercial kennel license which allows the owner to license 4 to 12 dogs. Concerns were expressed because the lot is small and only consists of .389 acres, proper shelter offered and the need for dogs to receive their shots. Plans are to board 1-3 dogs. The permit would have to be issued to the property owner. Deneys/Huetter, motion to close the hearing. Motion carried.
